## **Betty T. Yee Releases Assessment Practices Survey Report for Mendocino County**

Betty T. Yee, First District Member of the Board of Equalization (BOE), today released the Mendocino County Assessment Practices Survey Report. The report focuses on the quality of the 2009-10 Mendocino County assessment roll, representing approximately \$10.1 billion in value.

The Mendocino County Assessment Practices Survey Report states that most properties in Mendocino County are assessed properly, and the overall quality of the assessment roll meets state standards. The survey report notes 16 recommendations for improvement to the Mendocino County Assessor's programs and includes the Mendocino County Assessor's response to the BOE's recommendations. The BOE is the agency responsible for promoting statewide uniformity and consistency in property tax assessment, reviewing each county's property assessment practices and procedures once every five years and publishing an assessment practices survey report. The report provides an overview of how well the assessor's duties are performed and identifies where improvements should be made. Every assessor is required to identify and assess all properties located within the county – unless specifically exempt – and maintain a database or "roll" of the properties and their assessed values. If the assessor's roll meets state requirements, the county is allowed to recapture some administrative costs. For more information on the BOE assessment practices survey program, visit: [www.boe.ca.gov/proptaxes/apscont.htm](http://www.boe.ca.gov/proptaxes/apscont.htm).

Board Member Betty T. Yee was elected to her post in November 2006. Her district includes many of California's coastal counties, from Del Norte to Santa Barbara, and includes the entire San Francisco Bay Area.

The five-member California State Board of Equalization is a publicly elected tax board. The BOE collects more than \$50 billion annually in taxes and fees supporting state and local government services. It hears business tax appeals, acts as the appellate body for franchise and personal income tax appeals, and serves a significant role in the assessment and administration of property taxes.
